PROMOTION CASE · LEAD TEST MANAGER

# LEADING QUALITY AT FULL SPEED

[Your name] · [Department] · [Month 2026]

LAP 01 · THE ARENA

# I RACE IN THE TOP LEAGUE OF BANKING

Formula 1 is where the best engineering, the highest stakes and the fastest pace meet. Our bank is that arena for finance.

**Scale**

[_ _] clients and [€_ _] a day flow through the systems we test.

**Zero tolerance**

A regulated domain: one defect can mean fines, outages and lost trust.

**Pace**

[_ _] releases a year, with bank-grade reliability every lap.

LAP 02 · THE JOURNEY

# THREE STAGES, ONE RACE

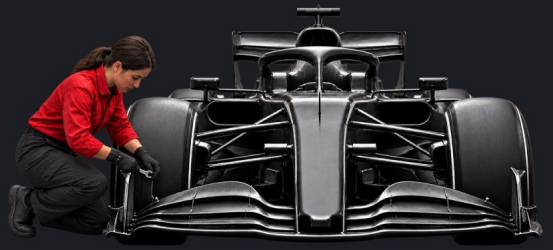

## 2022

### Driver in the team

Joined a QA team of [N] people. Learned the car: systems, processes, people.

## 2023

### Solo: survive and transform

Our unit in [country] was closed. I stayed alone, kept the car on track and rebuilt the approach.

## 2024-2026

### Team principal

Took over the testing function and built a team of [N] across [locations].

LAP 03 · THE HARDEST RACE

# CUTTING-EDGE DELIVERY IN TRADING

## WE WERE THE FIRST TO BRING AI INTO [TRADING TESTING]

[Project name] · [what was delivered] · [key result]

LAP 04 · MY PRINCIPLES

# HOW I TEST: MY PODIUM

2

## RISK FIRST

Test what can hurt the bank most, first.

1

## QUALITY IS SHARED

Quality is everyone's job; testers enable the whole team.

3

## AUTOMATE ROUTINE

Machines repeat, people explore.

LAP 05 · THE PADDOCK

# A HOME FOR EVERY TEAM MEMBER

**500**

**people in the testing community I built**

- **Why** · Give testers across the bank room to learn and grow.
- **How** · [Meetups, guilds, talks, mentoring, knowledge base]
- **Impact** · [_ _] sessions held, [_ _] people grew into new roles.

CHEQUERED FLAG

# ЕЦДФ ХИАР

**01**

I deliver quality where the stakes are highest: [domain] at [Bank].

**02**

From team member, through a solo stint, to building and leading a team of [N].

**03**

[__]% automation, [__]× faster regression, [__] production defects.

**04**

A 500-person community that helps testers across the bank grow.
